2. Board Roll Call: Present---Vaughn, Brummund, Campbell, Dailey Strauer. Absent: Huebel, Wusterbarth. There was a quorum. Total of 4 participants joined meeting in person or via Zoom.
3. Online Zoom Webinar Operating protocol and housekeeping discussed.
4. Approval of January 12, 2024 Agenda - Motion to approve agenda as presented made by Brummund/Dailey. All ayes, motion passed.
5. Approval of Minutes from 12-8-23 meeting: Motion to approve minutes as presented made by Dailey/Brummund. All ayes, motion passed.
6. Public Comments (not related to public hearing): none
7. Motion to recess for Public Hearing was made by Dailey/Strauer. Roll Call Vote: All ayes. Motion carried.
8. CLIB 2024 Budget Public Hearing:
 - a. Roll Call: Brummund, Campbell Dailey, Struer, Vaughn. Absent: Huebel, Wusterbarth. There was a quorum.
 - b. Presentation of 2024 Proposed Budget: spreadsheet provided in board packet was discussed and explained. Reviewed several line items i.e. weed control, liability, Lank Management Contracts, etc.
 - c. Opened the hearing for public comments:
 - i. Present at the meeting: Mark Lazlo requests information regarding line items: Legal fees, spillway expense, fishery project.
 - ii. Written remarks received by the board prior to or during the public hearing: none.
 - d. Motion to close public hearing was made by Brummund/Campbell. All ayes. Motion carried.
9. Motion to reconvene special meeting made by Brummund/Campbell. Roll Call Vote: All Ayes. Motion carried. Roll Call: Vaughn, Strauer, Brummund, Campbell, Dailey. There was a quorum.
10. Old Business:
 - a. Recap of 2023 actual budget through 12/31/23 and remaining questions.
 - b. Motion to adopt Resolution 2024-1 to approve the CLIB 2024 Annual Budget totaling \$113,303.00 as presented at the public hearing made by Brummund/Dailey. Roll Call Vote: All ayes. Motion carried.
 - c. Jones Ditch Property Update:
 - i. Information included in board packet: advertisements for Real Estate Broker Service proposals placed in the Alcona County Review and Oscoda Press for two issues Jan. 17 and 24, 2024. Bid deadline Jan. 31, 2024. Some discussion.
 - d. 2024 Regular meeting schedule agreed on at previous meeting has been posted at Greenbush Hall, Greenbush, MI 48738.
 - e. Jones Ditch grant opportunity update: Vaughn, Mark Kieser and John Jacobson, Sean Pengelly and Tom Klemm have gotten the ball rolling. Kieser & Associates are on track to submit the grant application on or Before Jan 19, 2024.
 - f. CLIB web site development and cost options:

A third quote was received from a local web site developer, Mike Suiter. His quote was included in the board packet. Vaughn recommended selecting Suiter to develop and administer and expanded CLIB web site using our existing domain presently managed by Kieser & Associates. M. Kieser has pledged cooperation during the transition. Motion to accept M Suiter proposal made by Brummund/Campbell. Roll Call Vote: All ayes, motion carried.

11. New Business

a. Review and approve bills that are now due or have been paid since last meeting:

Motion to approve all five bills that are offered at this time, I believe all amounts are covered under the current 2023 budget was made by Brummund/Dailey. Roll call vote: all ayes. Motion carried. The five bills are:

- i. Kieser & Associates, invoice 23-333, \$9,326.70
- ii. Bloom Sluggett, invoice 24524, \$445.50
- iii. Pat Dailey, 2023 Fiduciary/Scribe services, \$580.00
- iv. Pat Dailey, reimbursement for MS Office software for CLIB computer, \$158.99
- v. Rex Vaughn, reimbursement for printer toner cartridge, \$129.09

b. Request to remove special assessments on CLIB owned property for Winter 2023 tax period:

Parcels 041-196-000-068-00 and 040-015-400-100-00. The Alcona County Treasurer was asked to join our meeting to discuss this matter. The lake level special assessment should have been paid off when the property was purchased since it is tied to a bond. The weed control can be taken off when or if appropriate.

Motion to leave the weed control and lake level on the tax bill and pay the tax bill as it stands to Township of Greenbush Treasurer and pay the balance due of the lake level special assessment to the Alcona County Treasurer was made by Dailey/Brummund. Roll Call Vote: All ayes, motion carried.

12. Public Comment: Mark Lazlo asked if a realtor and surveyor have been chosen? He recommended a Tawas Surveyor.

13. Next regular meeting: Friday, April 12, 2024 @ Greenbush Township Hall 10 a.m.

14. Adjournment: Campbell/Strauer made the motion to adjourn @ 11:32 a.m. All Ayes, motion carried.

 ment being made tional IRAs, a cians, organiza- ndividuals have able feedback in g the briefing, to speak during st Thursday, was io owns property and is a member Water (NOW) on.
 l that the Three

Pipes and the WWTP areas, in particular, are major announcements. However, he didn't see any "next steps" for these, so he asked whether the recommendation is for these IRAs to be done.

"We are working on a plan for those," Willis answered.

He reiterated that there are funds for the DRMO and LF-30/31 sites, but that they don't have money this year for the others. "I've got money programmed in the out-years, and so we're looking at all that and developing a plan and contract strategies to potentially get additional systems in place, sooner than later."

It was also stressed during the briefing that these are strictly interim actions, to address the highest PFAS concentrations. "And then as part of the feasibility study, once the [remedial investigation] is complete, we'll step back and take a look base-wide at what we've got out there and what additional actions we need to take," Willis said.

As for the CPA report, this will really be more of a technical memorandum regarding the four sites, and the intent is for Noblis

to provide this to the AF within a couple weeks. Willis said that the AF will then review the document, pose whatever questions they may have, provide any comments back to the contractor/get those resolved, et cetera; "and then once we get this finalized, we can make that available."

Willis said he's sure that EGLE will want to review the draft memorandum, as well, after which it will be shared with the Wurtsmith Res-

toration Advisory Board (RAB). He added that updates on the progress of all four sites will also be shared at future RAB meetings.

**CEDAR LAKE IMPROVEMENT BOARD
 REQUEST FOR PROPOSALS FOR
 REAL ESTATE BROKER SERVICES**

The Cedar Lake Improvement Board (CLIB) seeks a real estate firm specializing in residential and lake front real estate to provide divestment services for property owned by the CLIB. It is the intent of this RFP to have the successful broker/firm enter into a Professional Services Contract with the CLIB to supply real estate services.

The CLIB has decided to sell a portion of its property located in Greenbush Township at 3325 W Cedar Lake Rd, Greenbush, MI 48738, Parcel ID # 040-015-400-100-00. The property available for sale will consist of a portion of the land east of Cedar Lake Rd. The CLIB will complete the land division process prior to offering the land for sale.

The real estate firm will be paid strictly on commission basis, will be expected to work closely with the CLIB, and provide monthly reports to the CLIB Chairman. Proposals that include a request for guaranteed fees will not be accepted.

All questions should be sent to Rex Vaughn, Chairman, CLIB, by email at rvaughn@tir.com. Prior to submitting a proposal, interested bidders must obtain the Request for Proposals Information Packet by emailing a request to the CLIB Chairman. Deadline for questions will be Friday, January 26, 2024.

Sealed proposals must be submitted ONLY by US Mail to the Cedar Lake Improvement Board, PO Box 53, Greenbush, MI 48738. All bidders must mail their proposals in time to meet the proposal deadline of 5:00 pm on Wednesday January 31, 2024. All proposals must be clearly marked on the outside "Proposal - Real Estate Broker Services".

The CLIB reserves the right to reject any and all bids, to waive irregularities in bids, and to accept bid believed to be the most advantageous to the CLIB and the public.

representatives.
Chevrans have been posted by the Iosco County Road Commission, warning drivers of the curve, but this has not seemed to prevent the incidents. Brown and Downes have decided that those from OWA will complete the fence repair themselves, to facilitate the speed at which the work is completed, in order to maintain the airport's enclosure.

OWA Property Manager Brenda McNeil had several updates to present, as well. She first said that she is pursuing a new company to manage their website, which she feels is not being fully utilized.

She has also suspended their previous janitorial company, due to expense, and has hired another

ration, through the Strategic Site Readiness Program – for a 1:1 fund matching Michigan U.S. Economic Development Administration grant, in order to fully cover the work slated for hangar infrastructure, which will cost more than the grant award.

Other updates given by Downes, included talks on upgrading the Automated Weather Observing System this summer; continued conversation with all involved agencies about the upcoming work on Flight Street, which leads up to the airport; a reminder for the OWA Board to review the 2023 audit report to prepare for their next meeting; and continued conversation with the Michigan Aerospace Manufacturers Association.

Overall, Downes said that OWA

signature, sharing personal reasons, OWA members formally accepted his resignation – following a motion by Director Kevin Beliveau, which was seconded by Swise.

Members spent a few minutes sharing how much they have appreciated the work Downes has done at OWA, and that they will miss him, but they said they understand that family should always come first.

The authority has offered Downes continued employment through May 2024. Beginning this coming week, they will start their search for a new airport director.

Due to Downes' resignation, the Wings and Wheels event originally considered for this Memorial Day, will be postponed until next year, with one year to plan.

Request for Sealed Bids Cedar Lake Improvement Board

The Cedar Lake Improvement Board (CLIB) is requesting sealed qualified bids for the 2024 recreational season for the following service at Cedar Lake in Alcona & Iosco Counties in northeast Michigan:

AQUATIC PLANT HERBICIDE TREATMENTS ON CEDAR LAKE

Proposal instructions, bidder qualifications, scope of work, specifications, and bid submittal forms available only by email. Use email address rvaughn@tir.com to request the bid documents, Subject Line: CLIB Request for Bid - HERBICIDE TREATMENTS.

Bids to be received by US Mail only no later than 5:00 PM on Friday, March 8, 2024.

Please submit all technical and scope of work questions by email to the CLIB at the email address noted above, or by phone at 810-516-6686.

The CLIB reserves the right to reject any and all bids, to waive irregularities in bids, and to accept the bid believed to be the most advantageous to the CLIB and the public.

General Information for the Bidder

1. Cedar Lake is located in T.23N.-R.9E., Sections 15, 10, and 3 of Oscoda Township in Iosco County and T.25N.-R.9E., Sections 34, 27, and 22 of Greenbush Township in Alcona County in the State of Michigan. The lake is 1,075 acres in size. Annual treatment areas generally are less than 200 acres per year. Cedar Lake retains an independent professional limnologist Lake Manager who will direct, specify, and approve all treatment plans for Cedar Lake.
2. The following definitions will be used throughout this document:
 - a. The Lake: Cedar Lake.
 - b. The Board: Cedar Lake Improvement Board (aka CLIB).
 - c. The Lake Manager: Professional limnologist retained by the Board.
 - d. The Contractor: The entity that is awarded a contract by the Board.
 - e. The Contract: The resulting agreement between the Board and the Contractor based on this bidding process.
 - f. EGLE: State of Michigan Department of Environment, Great Lakes, and Energy.

Instructions to the Bidder

1. The bidder shall examine the specifications and related documents attached and fully examine the Lake to familiarize themselves with all site conditions. The bidder shall make all necessary investigations to thoroughly inform themselves regarding past and present lake conditions including the EGLE Permits issued to previous Contractors using the EGLE MiEnviro Portal, Waterbody: WB-2127.

2. The bidder will also examine all lake treatment LakeScan™ Reports posted on the Board web site:

<https://cedarlakewmp.net/aquatic-plant-management>

3. No plea for ignorance of existing conditions shall be accepted. Failure or omission of any bidder to examine these documents or become acquainted with existing conditions shall in no way relieve them from any obligation with respect to their bid or any resulting contract.

4. The CLIB assumes no responsibility or liability for any costs incurred by the contractor prior to signing of an agreement. Total liability of the CLIB is limited to the terms and conditions of any contract resulting from this RFP.

5. If a bidder finds omissions or discrepancies in the bid documents, they shall immediately notify the CLIB so that the CLIB can issue an addendum to all bidders.

6. Sealed bids must be submitted on the bid forms provided in this packet (Appendix A and Appendix B). All bid amounts must be shown as figures and written in ink or typewritten together with all other data as required and shall be legally signed with the complete address of the bidder.

7. The bid amounts shall be all inclusive and there shall be no additional charges. The prices named shall include all taxes in effect on the bid date. The bidder has included all Michigan sales and use taxes currently imposed by legislative enactment and as administered by the Michigan Department of Revenue on the bid date.

8. Both bid forms (Appendix A and Appendix B) must be fully completed and executed when submitted. Incomplete bids will not be considered.

9. Each bidder shall complete the Bidder Résumé and submit it with their Bid Form.

10. Each bid must be submitted in a sealed envelope bearing the following information clearly marked on the outside “Cedar Lake 2024 Aquatic Treatment Bid”.

11. Bids may be withdrawn prior to the stated deadline. Modification of bids in writing will be considered if received prior to the deadline. Once the deadline has lapsed, bids shall remain firm for 90 days, within which the contract shall be awarded.

12. Bids shall be evaluated upon cost and experience of the bidder. The CLIB reserves the right to accept or reject any and all bids, to waive any bid irregularities that may be in the best

interest of the CLIB, and to negotiate a contract that will best meet the needs of the CLIB and its lake residents.

13. Awards will be made to the lowest responsive and acceptable offer or as judged by the CLIB. The CLIB may modify this request for proposals at its sole and exclusive discretion by addendum.

14. Acceptance of a proposal does not constitute a contract. Subsequently discovered information or circumstances may prompt the CLIB to rescind acceptance of any proposal after it has been accepted, but before the CLIB has taken action to authorize the contract to be signed. The CLIB reserves the right to rescind its acceptance of a proposal by adopting an appropriate resolution authorizing signature on a contract. At no time has a contract been formed until the CLIB has so acted and the contracts signed by the authorized individuals.

15. By signing and submitting the bid forms, the bidder affirms that their proposal is a free, independent, and legitimate proposal and that they have not engaged in any collusive practices that would have discouraged others to bid or influenced the terms of this proposal or of any others. Any evidence of collusion among the bidders, or any prospective bidders, shall be grounds for disqualification of a bidder and the voiding of any resulting contract.

16. Submitted bids shall become property of the CLIB. Any and all documents produced under the terms of any resulting agreements shall remain property of the CLIB and shall be provided upon request.

Bidder Requirements

1. The Contractor must have a Pesticide Application Business License from the Michigan Department of Agriculture and Rural Development in Category 5 (Aquatic Pest Management).

2. All persons employed and utilized for treatments on the Lake must be Certified Commercial Applicators in Category 5 (Aquatic Pest Management) by the Michigan Department of Agriculture and Rural Development.

3. The Contractor must be able to obtain aquatic nuisance control permits from EGLE.

4. The Contractor shall furnish at their own expense insurance coverage including worker's compensation, general liability, and pollution liability. Coverages must be for the minimum amount of \$1,000,000 for each occurrence of bodily injury, minimum \$1,000,000 for each occurrence of property damage, and minimum \$1,000,000 for each occurrence of pollution. Said general liability insurance shall include evidence that Contractor's general liability insurance policy will cover Contractor's liability, as it relates to the application of herbicides and pesticides. The general liability insurance obtained must name the CLIB as additionally insured. Certificates of the insurance coverage shall be delivered to the CLIB within 10 days of award of the Contract. These certificates shall clearly indicate that the provisions of the applicable policy comply with the above requirements. If the policies confirmed by these certificates will expire prior to the termination of this contract, certificates for renewals must be delivered to the CLIB not less than 10 days prior to the expiration date. Failure to provide certificates of the required insurances will void the Contract awarded by the CLIB.

Work Specifications

1. The Contract shall be binding on the parties and their successors and assigns; however, the Contractor shall not assign, subcontract, or otherwise transfer the work described and contracted herein without the express prior written consent of the CLIB and the Lake Manager. A violation of this term shall be considered a materials breach of the Contract.
2. The predominant aquatic invasive plants found in Cedar Lake have been Eurasian Water Milfoil, Curly-Leaf Pondweed, and Starry Stonewort (minor). Nuisance plants include variations of Naiad, Elodea, Wild Celery, Native Pondweeds, Chara, and others as described in the LakeScan™ Reports posted on the Board web site (review of the LakeScan™ Reports by the contractor is considered mandatory).
3. Pursuant to provisions of Part 33, Aquatic Nuisance Control, of P.A. 451 of 1994 (the Natural Resources and Environmental Protection Act), as amended, the Contractor will secure a permit from EGLE prior to any herbicide applications to the Lake. The permit application, in its entirety, shall be submitted to EGLE and to the CLIB within 10 working days of award of the Contract.
4. The Contractor shall be responsible for all statutory notifications and postings. Copies of all notifications, postings, and mailings related to this project shall be provided to the Lake Manager and the CLIB for review and approval prior to distribution. No advertising for additional services offered by the Contractor to individual lakefront property owners will be allowed on any of the notifications or postings.
5. Areas and the number of acres to be treated will be specified in writing by the Lake Manager utilizing LakeScan™ AROS maps with GPS reference to MeasureMap Pro for on-water use (<https://blueblinkone.com/apps.html>). The Contractor shall coordinate their activities directly with the Lake Manager.
6. The intent of any resulting contract is to obtain clean, safe, proper, effective, and thoroughly professional undertaking of lake services. The successful bidder shall be competent, courteous, and orderly while on the job.
7. The Contractor shall only make professional visits and herbicide treatments to the Lake when authorized and as directed by the Lake Manager. Those visits include, but are not limited to, an annual pre-season on-water full lake survey with a CLIB representative, the Lake Manager, and the Contractor prior to Memorial Day.
8. The Contractor must schedule treatments to not restrict recreational water use (e.g. swimming, fishing) on Fridays, Saturdays, Sundays, Memorial Day, July 4th, Labor Day, or other special occasions as determined by the CLIB.
9. The Contractor must follow EGLE restrictions on the use of copper-based products during May and June. These restrictions will be listed in the EGLE Permit.
10. The Contractor must thoroughly wash all boats, motors, trailers, and herbicide equipment and ensure it is free of plant fragments and zebra mussels before launching into Cedar Lake.

Cedar Lake Improvement Board
Bid Documents For 2024 Aquatic Plant Herbicide Treatments of Cedar Lake
Invitation For Bids

10. All herbicides, algicides, adjuvants, and shade products applied to the Lake must be approved by EGLE. These products must be stored, transported, handled, and applied in a manner consistent with state regulations and manufacturer labels.
11. Treatments will be designed by the Lake Manager, approved by the CLIB, and executed by the Contractor in the timeframe specified by the Lake Manager. If there is not adequate die-back of treated plants, the Contractor, at the Lake Manager's discretion, may be required to re-treat these plants at no additional cost to the CLIB.
12. There are several areas on Cedar Lake that will require the Contractor to deploy an application method that directly injects herbicides well below the surface of the lake while the watercraft is in motion. The watercraft utilized by the Contractor must be equipped with such a system, and the system must be approved by the Lake Manager. A description of the sub-surface injection system method utilized by the Contractor must be included in the Bid Form. Lack of such a direct injection system will result in disqualification of the bid.
13. If a fluridone treatment is required, the Lake Manager will be responsible for the Lake Management Plan. The Lake Manager will be responsible for collecting and shipping residue samples. The Contractor will be reimbursed for shipping costs, lab fees, and time at the Lake. The results of residue monitoring shall be faxed or e-mailed to the Contractor within 10 working days of sample date.
14. If residue samples for the use of Triclopyr or 2,4-D are required by the EGLE Permit, the Lake Manager will determine the number and location of residue samples. The Lake Manager will be responsible for collecting and shipping residue samples. The Contractor will assist the Lake Manager in collecting the samples and will be reimbursed for shipping costs, lab fees, and time at the Lake. The results of residue monitoring shall be faxed or e-mailed to the Contractor within 5 working days of sample date.
15. Upon the completion of work, the Contractor shall submit to the CLIB and the Lake Manager a detailed invoice immediately following each treatment or other service. The Lake Manager will review, approve, and forward the invoice to the CLIB for formal approval and payment.

BID FORM

BID DATE: _____, 2024

BID TO:

2024 Aquatic Herbicide Treatment Program
Cedar Lake Improvement Board
PO Box 53
Greenbush, MI 48738

The undersigned bidder hereby declares that this bid is made in good faith and without fraud or collusion with any other bidder or any competitor.

The bidder has carefully read, examined, and understands the General Information, Instructions, Requirements, and Specifications for the proposed work. The bidder has investigated the lake and its condition to determine the character and difficulties attending the execution of the proposed work.

The bidder understands that the acreages listed are approximate and subject to change based upon lake surveys performed by the Lake Manager. For each application event, the Lake Manager will specify the location, acreage, chemicals to be used, and the application rate per acre. The bidder agrees that the unit prices named will be used and invoice amounts will be calculated based upon unit volume or weight, application rate per acre, and total acres treated.

All work described in the bid specifications and required for completion of the project shall be considered as incidental work unless designated as a pay item on the Bid Form. The CLIB assumes no responsibility or liability for any costs incurred by the Contractor prior to the signing of an agreement. Total liability of the CLIB is limited to the terms and conditions of the Contract resulting from this bid document.

The undersigned agrees that this bid shall be good for 90 calendar days after the scheduled closing time for receiving bids. Within that timeframe, the CLIB shall provide a written Notice of Award to the successful bidder. Upon receipt of a written Notice of Award, the bidder shall enter into a formal contract with the CLIB incorporating the content and spirit of the bid specifications. Within 10 days of the Notice of Award, the Contractor shall deliver the required certificates of insurance described in the "Bidder Requirements". In

Cedar Lake Improvement Board
Bid Documents For 2024 Aquatic Plant Herbicide Treatments of Cedar Lake
Invitation For Bids

the event the contract and certificates of insurance are not provided within the time set the CLIB reserves the right to void the Notice of Award and the Contract.

The bidder understands the CLIB reserves the rights to reject any or all bids, to waive any irregularities in the bidding, and to award the contract to other than the low bidder.

The bidder proposes and agrees, upon acceptance of the bid, to contract with the CLIB, incorporating the content and spirit of the bid specifications. The bidder will provide all necessary equipment, products, personnel, and transportation necessary to execute the work referred to in this invitation to bid. Furthermore, the bidder agrees to perform all work in the manner and time prescribed and according to the requirements of the CLIB.

The undersigned, having familiarized themselves with the Instructions to Bidders and the Work Specifications, hereby proposes to perform everything required and to provide and furnish all of the labor, materials, equipment, and all utility and transportation services necessary to perform and complete all the work required for aquatic herbicide treatments of Cedar Lake in a workmanlike manner, all in accordance with the specifications, and at prices as listed in the worksheets located in Appendix A and Appendix B.

Bidder Résumé

In order to expedite the award of this contract, the bidder is required to provide the following information to demonstrate prior experience with similar work to that described on Cedar Lake.

Bidder: _____ Company Name)

A. Please provide a list of applicators employed by your company and their respective dates of certification by the Michigan Department of Agriculture.

B. In 2022, how many lakes in the various size categories listed below did you treat with herbicides?

- 100 to 500 Acres: _____Lakes
- >500 Acres: _____Lakes

C. Please list on a separate sheet all of the equipment to be utilized for the herbicide treatments at Cedar Lake. Include a complete description of the sub-surface injection system method used to comply with Work Specifications, Paragraph 12.

D. Please provide a maximum of three references of previous work. For each project, provide a contact person with phone number and include:

- Lake Name
- County
- Surface Acreage
- Treatment Area Acreage
- Target Plants
- Herbicides Applied

Contractor Bid Long Form Worksheets

Contractor to complete all following worksheets in their entirety and return all sheets with their bid.

Contractor Bid Form Worksheets

Table of Contents

Note: All Checked Items Require Completion

Part 1: Permit Fees, Notifications, Site Reviews and Other Associated Services

- S1 Permit Fees
Permit Application Fees, Pass-Through Permit Costs
- S2 Riparian Notifications and Communications (Required)
 All costs required by permits or additional notifications
- S3 Mobilization Fees (optional, may be no charge)
Costs to arrive at site
- S4 Public Meetings (optional, may be no charge)
Q&A sessions and formal presentations
- S4 On-Site Lake Condition Review (optional, may be no charge)
Attended by members of management team

Part 2: Improvement Agent Application

- A1 Cost to Apply Liquids Less Than 5 Acres
- A2 Cost to Apply Liquids More Than 5 Acres
- A3 Cost to Apply Wettable Powders and Slurries Less Than 5 Acres
- A4 Cost to Apply Wettable Powders and Slurries More Than 5 Acres
- A5 Cost to Apply Granules Less Than 5 Acres
- A6 Cost to Apply Granules More Than 5 Acres

Part 3: Liquid Materials Cost Per Unit Volume Including Applicable Taxes and Surcharges

- L1 Bispyribac
- L2 Carfentrazone
- L3 Copper Sulfate Liquid
- L4 Copper Chelate + Phosphorus Binder
- L5 Copper Chelate Ethanolamine
- L6 Copper Chelate Emulsified Ethanolamine
- L7 Copper Chelate Ethylenediamine
- L8 Copper Hydroxide
- L9 Copper Citrate Gluconate
- L10 Diquat Dibromide
- L11 Diquat Combo (i.e. + Endothall)
- L12 Endothall Potassium Salt
- L13 Endothall Amine
- L14 Fluroxypyr
- L15 Fluridone Liquids
- L16 Flumioxazin Liquid
- L17 Florpyrauxifen-benzyl
- L18 Glyphosate
- L19 Imazamox
- L20 Imazapyr
- L21 Penoxsulam
- L22 Quinclorac
- L23 Topramazone
- L24 Trifloxysulfuron
- L25 Triclopyr, amine
- L26 Triclopyr Acid
- L27 2,4-D, amine
- L28 2,4-D Amine & Flumioxazin
